Dear Sharon & Other Members of the Commission,

Kelly Moving Inc. would like to clarify the desire to include our truck fee into the hourly rate, proposed tariff in Docket No. 2021-346-T. The reasoning of inclusion is as follows:

- Including the truck fee into our hourly rate will allow us to simplify our billing.
- Combining the truck fee with the movers will lessen final bills for any two-hour minimum customer.
(For instance, instead of a small job getting charged the full day truck fee of \$130, that customer will only be charged a small fee per hour).

Thank you

Amy Reid

To All Parties:

Kelly Moving:

We would appreciate your providing additional information to clarify your request to amend tariffs. For example, the current tariff, approved by the Commission in 2018, indicates the hourly rate for two movers is \$85 per hour, and that the use of a truck is \$130 per day. However, the proposed tariff you submitted in this docket indicates two movers **and** a truck has an hourly rate of \$115. Thank you for providing clarification. Yours sincerely, Sharon Besley
